Dear student,

You have been admitted to the IP Paris PhD Track program for the academic year 2024-2025, commencing in September 2024.

We will subsidize the tuition fees for Years 1 and 2, reducing them from up to around 7,000 € per year to 243 € per year [1]. Annual registration fees for Years 3, 4, and 5 are set at 380 € [2].

Congratulations on your admission to our highly competitive program! Due to the limited number of scholarships available, you have been placed on a waiting list for further financial support. We will keep you informed about any changes in your status as the recruiting season progresses.

After completing your Master's studies, you are eligible to apply for a three-year PhD stipend with a minimum gross salary of 2200 € per month, totaling a minimum gross scholarship of 79,200 €.

If you choose to accept our offer of admission, enrollment is contingent upon receipt of all outstanding application materials, including official test scores, official transcripts from all previously attended post-secondary institutions, and degree certificates. Admission is subject to a favorable security clearance check.

This offer is valid for 10 days from the date of this letter and is applicable only for enrollment beginning in the 2024-2025 academic year. Please indicate your acceptance of this offer by returning a signed copy of this letter at your earliest convenience, but in no case later than 10 days after receiving this offer, electronically to phd-track@ip-paris.fr.
